

About The Tree

Dear Mayor, I am allergic to the City tree in the front yard. My room is close to the tree so my family and I was wondering if we can get the tree removed because I want to play outside for as long as I want without worrying about sneezing or watery eyes. If possible we would like a Crate Myrtle, or a lemon tree as a replacement.

Sincerely, Emma Wirtz,

P.S. Our house is 1034 Maryhurst Dr.
