

ADMINISTRATIVE ITEM

2. Semi-Annual Reporting of Urban Forest Activities: January–June 2025

Jeremy Swan, Community Services Director, provided a PowerPoint presentation.

Director Swan responded to questions from the Committee regarding grant opportunities for reforestation funding, the dates of the two recent major windstorms, whether some of the dead trees may be attributed to stress due to the windstorms, the prevalence of pests compared to in previous years and how that has affected removal numbers, other reasons trees have died or been removed, whether the City standard for planting is still 15-gallon trees, whether staff is able to provide six-month projections for removals and replantings, reforestation outreach, proactive assessment of each grid prior to the commencement of grid trimming, and clarification of the terms listed as reasons for removal.

Chair Brower invited public comment.

Senior Administrative Assistant Ross announced that no written public comment had been received on this item.

There were no requests to speak.

Chair Brower closed public comment.
