Other past uses: \_

6. Briefly describe the present physical appearance of the site or structure and describe any major alterations from its original

Neither are exquisite but both are fine California bungalows with the characteristic heavy earthbound forms, shading roof and celebration of wood in revealed framing or heavy beam work in porches. Landscape screen makes these house livable and both, if restored, would be excellent representatives of this once popular style. 424 has large shed dormer. Windows and doors appear original with typical extension of lintel.
