

I have no problem
with the existing
patio cover.

To Whom It May Concern:

My wife and I purchasing the property at [REDACTED] Claremont, next door to 2743 San Angelo Dr. We are writing this letter in support of the current homeowners there to keep the existing patio covers as they are currently built. The patio covers provide privacy for both of our properties, and they are very aesthetically pleasing. We would join them in asking the City of Claremont for a variance to allow the structure to stand in its current state.

Thank you,
