Updates for October - December 2025

Annual Report to City Council

During this reporting period, the CIT prepared its third Annual Hotel/Motel Ordinance Report, which covers calendar year 2025. The report is on the City Council's consent calendar agenda for its January 27, 2026 meeting.

CIT Citizen Representative Update

On June 10, 2025, former Citizen Representative Wendy Ramallo resigned from the CIT. Her CIT member colleagues are thankful for the insight and ideas that she provided during her time on the CIT. Following Ms. Ramallo's resignation, staff advertised the CIT Citizen Representative vacancy and encouraged those interested in serving on the CIT to contact the City. On December 16, 2025, City Manager Adam Pirrie appointed Cynthia Guerra as the new CIT Citizen Representative. Cynthia is a long-time Claremont resident and she looks forward to serving on the CIT.

Members of the CIT would also like to take this opportunity to acknowledge Riya Girish, a Pomona College student who served as a student intern during the fall 2025 semester supporting the CIT through the Sagehen Civic Scholarship Program. During her internship, Riya designed the recruitment flyer for the Citizen Representative vacancy, and she improved the template that the CIT uses to publish its quarterly reports.

Data Tracking

Effective Q3 of 2023, members of the CIT compile and track the following data points for each hotel/motel:

- Frequency of police presence (proactive monitoring/not in response to a call for service); these are noted below as “officer-initiated activity (welfare checks)” because they are reported as “welfare checks” when reported by officers to dispatch.
- Police calls for service, including criminal and nuisance activity that may stem from hotel/motel operations. While these are noted below as “police calls for service,” it is important to note that not all such calls are associated with problems related to hotel/motel operations. For example, these call numbers may include traffic stops/hazards associated with a hotel/motel address. These call numbers also include instances where a hotel/motel operator calls Claremont Police because they see something suspicious, which is something that all city members is encouraged to do.
- Reported Code or Building violations, including a brief description and the present status along with a potential resolution.
- Reports of graffiti and other nuisance activity occurring at or adjacent to property, including a brief description and the present status along with a potential resolution.

Below is the **year-to-year** data for **police-related calls for service and welfare checks**.

	Casa 425	Claremont Lodge	Double Tree	Former Knights Inn/ University Inn	Motel 6
2022 Welfare Checks	0	110	8	118	427
2023 Welfare Checks	0	48	6	38	219
2024 Welfare Checks	1	31	4	1	195
2025 Welfare Checks	15	50	26	1	284
2022 Calls for Service	13	94	116	189	359
2023 Calls for Service	18	71	100	53	208
2024 Calls for Service	8	41	118	2	196
2025 Calls for Service	15	91	101	30	340

It should be noted that “Calls for Service” include 9-1-1 calls made by individuals at each location. CIT Quarterly Reports contain details on reported Building or Code violations on or adjacent to hotel/motel properties.
