

Photo Survey of 1111 N. Indian Hill Boulevard

Front elevation of the house, Indian Hill Boulevard.

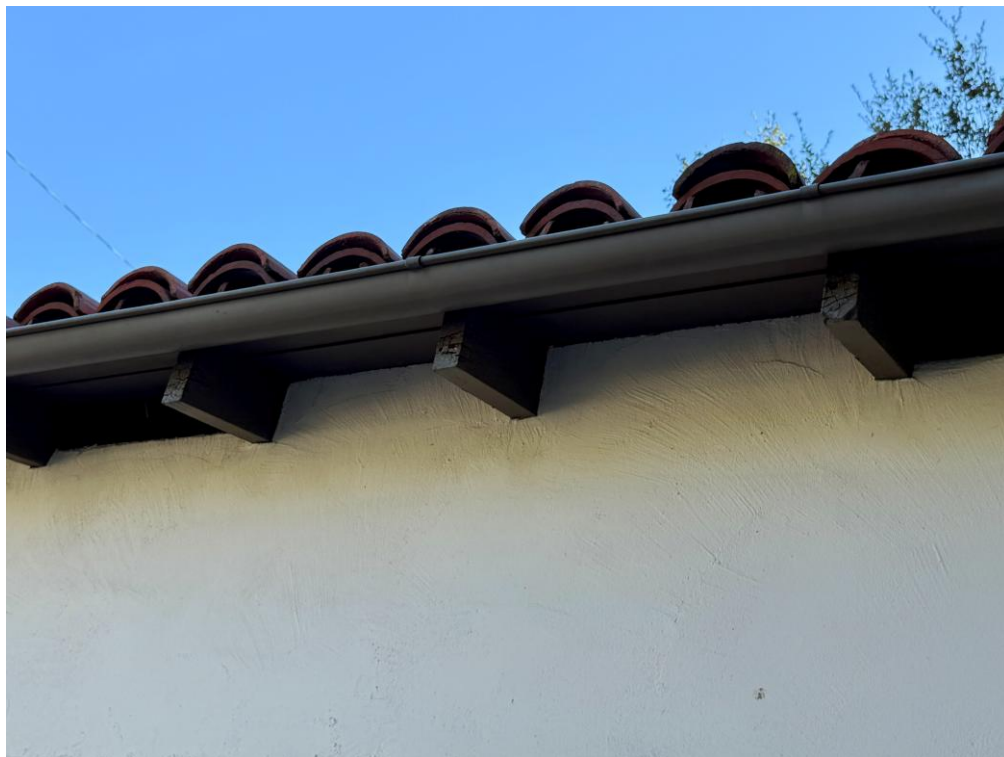

Original window

Entrance to what was formerly Dr. Ilsley's office. Facing Indian Hill Boulevard.

Two-piece clay tile roof. Damage to wooden rafters.

Covered porch in the rear outside the kitchen and dining room.

Rear Elevation of the house

Close up of second-story windows. The two windows to the right are original windows. The two on the left have been altered, but are included in the applicant's Ten Year Plan to be restored to historic character.

Courtyard. Original doors and windows.

Guesthouse in the rear yard.

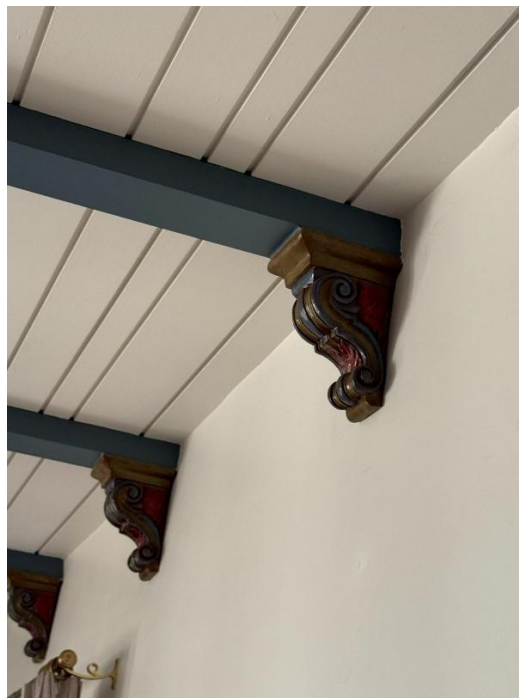

Historic oak tree in the rear yard saved by Mrs. Mary Ilsley.

Living room with original features including two arched windows, ceiling beams, fireplace and flooring.

Original corbels installed by Mrs. Mary Ilsley.

Various arched passageways inside the house.

Historic staircase that does not meet current code for height of railing.
